

Staring Back, Jump The Gun

It wasn't long ago she said
Look at me because something's wrong
You've got to try to fight the urge to hide it
I deserve the peace of mind
Tell my face that nothing's wrong
You've got to try to fight the urge to hide it
I deserve the peace of mind
I told you not to jump the gun
She said think about it
Think about it
I told you not to jump the gun, she said
I told you not to jump the gun
She said think about it
Think about it
I told you not to jump the gun,
She said
