

Starkill, Evil Inside

Lost in the illusion
Lost within my mind
Through the passages in time

Feel my soul grow weaker
Watch it slowly die
Lonely poets slowly die

[pre-chorus]
What have I done?
I know I went and left you all alone
But I can't let you go

[chorus]
There's an evil inside of me
A darkness suffocating
Let me out, just let me breathe

Screaming in the silence
Echoes don't reply
Yet they always feel alive

Was it worth the effort
Was it worth the time
Scars upon me to remind

So how's it feel when all is lost
I'm broken, embittered with loss
I thought we all had come so far
Who knew that it would be this hard

There's an evil inside me
And it's in everything I see
Just waiting for the day it dies
The storm inside eats us alive

I'm torn in two
I'm caught between
Who I think I should be and what you want from me

Why should I choose
Why fucking wait
It's time to unleash what I promised to contain

[chorus]

(solo: Parker)

Breaking the illusion
Breaking from my mind
Through the passages in time

Feel my soul grow stronger
I can never die
Lonely poets never die

[pre-chorus]

[chorus]
