

Starkillers, Discoteka

Deep in the discoteka
These beats can make you wetta
I have the sex you want
I have the sex to flaunt
I rock my body hard
In this place to be
I make it hot dirty sexy
Can you please me
You sexy ladies
And nasty boys
Oh freaky freaking
To the robot noise
(2x)
I wanna to rock your body
Body rocking to the beat
Electric rhythm
Pumping discoteka all over me
I rock my body hard
In this place to be
I make the beat go boom papi
