

# Starlight Dragons, Sometimes

Sometimes,  
Things just seem to fall apart  
When you least expect them to

Sometimes,  
You want to pack up and leave behind  
All of them and all their smiles

(Chorus)  
I don't know  
What to think any more  
Maybe things will get better  
Maybe things will look brighter  
Maybe, maybe, maybe

Sometimes,  
People surprise you  
And people surprise me

But I guess that's the price we pay  
For wanting, so badly

I don't know  
What to think any more  
Maybe things will get better  
Maybe things will look brighter  
Maybe, maybe, maybe

(Solo)

I don't know  
What to think any more  
Maybe things will get better  
Maybe things will look brighter  
Maybe, maybe, maybe

I don't know  
What to think any more  
Maybe things will get better  
Maybe things will look brighter  
Maybe, maybe, maybe

Sometimes... Sometimes... Sometimes...
