

Starlight Dragons, Sometimes

Sometimes,
Things just seem to fall apart
When you least expect them to

Sometimes,
You want to pack up and leave behind
All of them and all their smiles

(Chorus)
I don't know
What to think any more
Maybe things will get better
Maybe things will look brighter
Maybe, maybe, maybe

Sometimes,
People surprise you
And people surprise me

But I guess that's the price we pay
For wanting, so badly

I don't know
What to think any more
Maybe things will get better
Maybe things will look brighter
Maybe, maybe, maybe

(Solo)

I don't know
What to think any more
Maybe things will get better
Maybe things will look brighter
Maybe, maybe, maybe

I don't know
What to think any more
Maybe things will get better
Maybe things will look brighter
Maybe, maybe, maybe

Sometimes... Sometimes... Sometimes...
