

Starlight Mints, Submarine

you got me rolling around
frog on my head
holy shazam
i see you on a submarine
you're the fishy queen
if you pull me apart don't swallow my heart
heart!

you got me under the sea
trying to swim, we find you again
i know you gotta be on a submarine
but what can i do?
what do we do?

one, two
what do we do?

if you pull me apart
don't swallow my
if you pull me apart
don't swallow my
if you pull me apart
don't swallow my heart
