

# Starmaker, Can't Get You Out Of My Mind

verse 1

Must be some other way  
Must be something to say  
There's no doubt you are changing  
You're slipping away

It's been hard and I know  
We have a long way to go  
But I'll say it again - I love you so  
Let me show...  
There is something that I want you to know

chorus

Can't get you out of my mind  
I'm not the easiest kind  
I know I've done you wrong  
Just wanna say - I'm sorry

Love was so easy and then  
How could I hurt you again  
Been acting like a fool  
Just wanna say - I'm sorry

verse 2

I have asked you to stay  
Nothing moved you this way  
I gave you my heart  
Don't throw it away

Please, don't say it's too late  
Take your time, I can wait  
Let me tell you again - I love you so  
let me show...

chorus

middle 8

No easy explanation  
We've lost communication  
You're not the same - and I'm to blame

My love is here, just take it  
No fool for love could brake it  
So just take it

Can't get you out of my mind  
Oh Precious, say you'll be fine  
Can't get you out of my mind  
Oh Precious, say you'll be fine
