

Starmaker, I Really Don't Think So

Why does everything have to be a love thing?
Think of all the sorrow that love brings.

Is it where you really wanna go,
no, I really don't think so.
You know that I go back.
You doing what you want,
without you letting me know that you do.

So I can do it too.
Maybe so, together,
and if there were ever reasons to change it,
I'm sure we could arrange it baby.

Something's wrong,
if you really think that you're the one to get away with it.
I know what you're thinking; it's starting to sink in.

Why does everything have to be a love thing?
Think of all the sorrow that love brings.

Is it where you really wanna go,
no, I really don't think so.

Why does everything gotta be a love thing?
Why can't we dig each other and just hang?
Is it where you really wanna go,
no, I really don't think so.

I'm not the one to go on,
you're preconceptions of correct behavior,
it's really not my flavor baby.

I don't need a ring on my finger,
I kinda like being single.
Commitment don't fit me,
it bit me one time and I still don't know.
