

Stars, Undertow

Living for only one
When will it stop?
Caught in the undertow
When will it stop?
Trying to fight the cold
When will it stop?
Why does the night win me always?
All the wind's at your eyes, at your eyes
All the wind's at your eyes, at your eyes, at your eyes, at your eyes
All the wind's at your eyes, at your eyes, at your eyes, at your eyes

When will it stop?
No one forever young
When will it stop?
I'm caught in the undertow
When will it stop?
The brittle and bitter bones
When will it stop?
Forgot to know how to grow
All the wind's at your eyes, at your eyes
All the wind's at your eyes, at your eyes, at your eyes, at your eyes
All the wind's at your eyes, at your eyes, at your eyes, at your eyes
All the wind's at your eyes, at your eyes, at your eyes, at your eyes

You pick the storm or you pick the shore
Both take you to the floor, to the floor, to the floor, to the floor
When will it stop? When will it stop? When will it stop?
