

Starsailor, Alcoholic

Don't you know you've got your Daddy's eyes
Daddy was an alcoholic
But your mother kept it all inside
Threw it all away

I was looking for another you
And I found another one
I was looking for another you
When I looked round you were gone

Stay by my side
And the pipe dream is yours now
Stay by my side
And the singer won't get in our way

Don't you know you've got your Daddy's eyes
And your Daddy was an alcoholic
But your mother kept it all inside
Threw it all away

I was looking for another you
And I found another one
I was looking for another you
When I looked round you were gone

Stay by my side
And the pipe dream is yours now
Stay by my side
And the cynics won't get in our way

Don't you know you've got your Daddy's eyes
And your Daddy was an alcoholic
But your mother kept it all inside
Threw it all away
I was looking for another chance
To see your blue eyed problem
