

# Starsailor, Coming Down

If you don't mind  
Could we not fight?  
I see you're close woman  
In the night  
I'm sober  
Still Alive

Waste your days  
On your own  
Getting drunk  
getting stoned  
I'm sober  
Still alone

Must I always take a back seat?  
Must I always be your clown?  
Did you ever really love me?  
Were you always coming down?

See your face  
See your eyes  
Shouldn't have left  
Shouldn't have lied  
I'm sober  
Spirit's died

Must I always take a back seat?  
Must I always be your clown?  
Did you ever really love me?  
Were you always coming down?

Must I always take a back seat?  
Must I always be your clown?  
Did you ever really love me?  
Were you always coming down?
