

Starsailor, Listen Up

So it was my life began
Just a pale and drawn shadow of a man
Then I put my armour on
This could be the night all my fears are gone
This could be the one

Listen Up

We're gonna make it somehow
We're gonna change the world
Starting here and now
There's a time for standing tall
Every man must rise
Every man must fall
When he comes to call

Listen Up

We're gonna make it somehow
We're gonna change the world
Starting with here and now
Listen Up We're gonna make it somehow
We're gonna change the world
Starting with here and now
Listen Up We're gonna make it somehow
We're gonna change the world
Starting with here and now
