

Starsplash, Alive

(Chorus)

On the wings of an angel flying
Catch a falling star
Living like to regret a moment
You know who you are

On the wings of an angel flying
Be a shooting star
Don't look back for a single minute
Life is what you are

Once again, we're gonna party!

(Chorus)

4-1-2

(The biggest, the best, we're talking at the rest
The one to fight, we're getting one sin light) x2

Haha...

(Chorus)

Once again, we're gonna party

(Chorus)
