

State Radio, Sybil

We were walking along the road
Just watching the days come and go
And how you said the evening lies
Saying never you mind
It's sure to be all right
We were dancing in the kitchen, oh
Laughing about something we didn't know
Till you stopped and said "I don't ever want you to die"
Oh, never you mind
It sure to be all right

(Refrain)
Oh oh oh, never you mind
It's sure to be all right

Hey Sybil
Yah we're doing ok
You're my straight six, baby
I wouldn't change a thing, 'cause I
Watched your momma love you with all her soul, oh
And the apple don't fall far from the tree
Luckily for me
It sure to be all right

Hey Sybil
Yah, we're doing ok
I know what your saying but
I wouldn't change a thing, oh

It's got to be a lovely world to sew
The likes of this girl I know
And may she,
May she sleep well tonight

'Cause it's got to be a lovely world to sew
The likes of this girl I know
And I hope that she
She sleep well tonight

(Refrain)
Ooh, ooh ooh, never you mind
It sure to be all right
