

Static Major, Till The Wheels Fall Off

Im freaky for you girl
You freaky for me girl
I do it for you girl
Do it for me girl
Im freaky for you girl
You freaky for me girl
I do it for you girl
Do it for me girl

[Chorus:]

We gonna ride til the wheels fall off
We gonna gonna roll til the wheels fall off
Ima be here til the wheels fall off
Will you be there til the wheels fall off
We gone make love til the wheels fall off
We gonna touch til the wheels fall off
We gonna ride til the wheels fall off
Ima be here til the wheels fall off, yeah

[Verse 1:]

Girl you like a homie, cause you put it on me
My ride or die chick, on this magic stick
Said you been on the team, making me feign
You got ya own cream, you doing yo thing
Girl you like my Bonnie, and you up on it
Prada, Gucci wear, make the playas stare
Cause you handle your biz, you carry your belt
You got me outta jail, you didnt even tell

[Chorus:]

We gonna ride til the wheels fall off (We gone ride)
We gonna gonna roll til the wheels fall off (We gone roll)
Ima be here til the wheels fall off
Will you be there til the wheels fall off (Only time will tell,yeah)
We gone make love til the wheels fall off
We gonna touch til the wheels fall off
We gonna ride til the wheels fall off
Ima be here til the wheels fall off, yeah

[Verse 2:]

You are like a playa, smooth operator.
But you aint no hater, look because I made ya
Hit me on my pager, girl you know I aint gone play ya
You're my pretty brown brown, driving me wild
Oooh child, shall we get kinky now
Shall we get freaky nooow, creep-creepin on some sticky now, hey
We're like Russel and Kimora, Ozzy and Sharon,
William and Jada, we be gettin naked
Barbie and Kenny, Romeo and Juliet
Nas and Kelis or Fred and Wilma,

[Chorus:]

We gonna ride til the wheels fall off
We gonna gonna roll til the wheels fall off (Roll til the wheels fall off)
Ima be here til the wheels fall off
Will you be there til the wheels fall off (We gotta work it out)
We gone make love til the wheels fall off
We gonna touch til the wheels fall off
We gonna ride til the wheels fall off
Ima be here til the wheels fall off, yeah

[Hook:]

Im freaky for you girl (Oh yeah)
You freaky for me girl (Oooh, hmm)
I do it for you girl
Do it for me girl
Im freaky for you girl
You freaky for me girl
I do it for you girl
Do it for me girl (Whoaaa)

[Boy:] Hold me down, hold me down
you always hold me down
[Girl:] Hold me down, hold me down you always hold me down
[Boy:] I'm about, I'm about, whatever you're about
[Girl:] And I'm about, I'm about whatever you're about
[Boy:] Hear me out, hear me out, you always hear me out
Work it out, work it out
We always work it out
[Chorus:]
We gonna ride til the wheels fall off
We gonna gonna roll til the wheels fall off (Yeaah)
Ima be here til the wheels fall off
Will you be there til the wheels fall off (Cause I aint goin nowhere)
We gone make love til the wheels fall off
We gonna touch til the wheels fall off
We gonna ride til the wheels fall off
Ima be here til the wheels fall off, yeah
[Repeat til fades]
