

# Static X, Be Mine

Everytime I sleep I think of you  
Everytime I dream I dream about you  
Everytime I walk I walk for you  
Everytime I talk I talk about you  
Everytime I scream I scream for you  
Everytime I lie I lie for you  
Oh baby now tell me what dont I do for you  
You have taken on everything that I had in my life  
Where ever I go, what ever I do, everything has a memory of you.  
My life, my time, my words, my life life life  
You know the first time I talked to you.  
I never thought it would lead me to this  
This obsession over you..dude..even when im with my guy  
I think about you  
All I want is you  
All I need is you  
Oh babe  
Be mine  
And let all this obsession come true  
Oh babe  
Be mine  
Ohh wOhh ohhhbabyyy  
Everytime I sleep I think of you  
Everytime I dream I dream about you  
Everytime I walk I walk for you  
Everytime I talk I talk about you  
Everytime I scream I scream for you  
Everytime I lie I lie for you  
Baby baby be mine  
I need you to live you are the one. Who made me come to this  
Oh babe all I want is you  
Just you baby  
So be mine.
