Static-X, Beneath, Between, Beyond

Parish in the void
Destruction, destroy
Crushing (all?) with no regrets
Zero tolerance

(For life?) avoided
Answers of darkness
Never felt - felt so alive
Since the day I died

Beneath, between, beyond
I'm deciding all that matters
Beneath, between, beyond
Changing what can't be undone

Beneath this pain I
Between thoughts of lies
Beyond seeing this shadow land
Re-kill the undead

Beneath, between, beyond
I'm deciding all that matters
Beneath, between, beyond
Killing off what's left of others
Beneath, between, beyond
Channeling electric battles
Beneath, between, beyond
Changing what can't be undone
