

# Static X, Deliver Me

Ripping at the soul  
Scratching it for more  
Ripping at the soul  
Unattainable goal  
Giving into sin  
Getting out of pain  
Burning in the sun  
I'm drowning in the rain  
Fate  
Deliver me to  
My  
Final destination  
Sometimes it's too dark  
Seek this light of truth  
Sometimes hard to find  
Don't die without a fight  
Fate  
Deliver me to  
My  
Final destination  
Deliver me cause I  
I got my reasons  
Giving into sin  
Getting out of pain  
Burning in the sun  
Drowning in the rain  
It's not too late  
I got my fate
