

Static X, I'm the One

Li-ving in the mo-ment
Forgot-ten and re-pea-ted
No I, can not, be the one
No I, can not, be bea-ten
I'm the
(Yeah)
I'm the
(Yeah)
I'm the
(Yeah)
I'm the one
I don't want you
I don't need you
With closed eyes I
See right through you
I was crawling
Always falling
You don't know what
I have lived through
No I, am, not-a-rich-man
No I, am, not-a-bitch
I know you, made one mistake
This is my, life
You cannot take it
I'm the
(Yeah)
I'm the
(Yeah)
I'm the
(Yeah)
I'm the one
I don't want you
I don't need you
With the closed eyes I
See right through you
I was crawling
Always falling
You don't know what
I have lived through
Auto-matic termi-nation
Self-des-tructive revolution
Auto-matic termi-nation
Automatic termination
Self destructive revolution
Automatic termination
Self destructive revolution
Automatic termination
Self-destructive revolution
(self destructive)
Break it down
To the ground
I'm unchained
Not a slave
I'm the
(Yeah)
I'm the
(Yeah)
I'm the
(Yeah)
I'm the one
I don't want you
I don't need you
With closed eyes
I see right through you

I was crawling
Always falling
You don't know what
I have lived through
