Static-X, Monster

Breathing, killing, seething, willing Fighting, biting, hating, waiting for you Don't you, won't you, don't lie

Give it, get it, live it, let it Dedicated, nothing sacred for you Don't you, won't you, I die

Wreak havok, I'm crippled Your polluted soul, is so corrupted

In your eyes, see all the lies The alibis, That I despise In your eyes, see all the lies The alibis, That I despise In your eyes, all the lies Alibis, I despise See the lies, spirit dies Your disguise, Monster size

Breathing, killing, seething, willing Fighting, biting, hating, waiting for you I don't know why I try

Give it, get it, live it, let it Dedicated, nothing sacred for you I can't see you I'm blind

Wreak havok, I'm crippled Your polluted soul, is so corrupted

In your eyes, see all the lies The alibis, That I despise In your eyes, see all the lies The alibis, That I despise In your eyes, all the lies Alibis, I despise See the lies, spirit dies Your disguise, Monster size

Wreak havok, I'm crippled Erasing, Refacing So worthless, no mercy Your polluted soul, is so corrupted

In your eyes, see all the lies The alibis, That I despise In your eyes, see all the lies The alibis, That I despise In your eyes, all the lies Alibis, I despise See the lies, spirit dies Your disguise, Monster size

Breathing, killing, seething, willing Fighting, biting, hating, waiting for you Don't you, won't you, don't lie
