

# Status Quo, A Softer Ride

I ain't gonna work, I ain't gonna work no more  
Stay in bed til I'm satisfied, and let my head take a softer ride  
I ain't gonna work, I ain't gonna work no more

I ain't gonna work, I ain't gonna work no more  
I'll find me a shack where it's cool inside  
And turn my back on the cold outside  
I ain't gonna work, I ain't gonna work no more

If I could go back to the job I had  
Same old thing gonna drive me mad  
So I ain't gonna work, I ain't gonna work no more  
Never again will I have to be  
Down

I ain't gonna work, I ain't gonna work no more  
Stay in bed til I'm satisfied, and let my head take a softer ride  
I ain't gonna work, I ain't gonna work no more
