

# Status Quo, Another Day

(Rossi / Young)

You never listen when I say  
I only need another day  
You never listen when I tell you  
What I tell you  
I'm thinking what I'm thinking  
I need a little time  
To keep the motor ticking over now

I only need another day  
Gotta find another way  
We got a problem 'cos I don't know  
What you're thinking  
You don't care what I'm feeling  
We better work it out  
Or else there's gonna be a showdown now

Why do you do what you do to me?  
You got no clue what you do to me  
I try to say but you couldn't see  
What do come don't come easily  
I only need another day

But it comes and it goes  
And everybody knows  
That I don't like it, no I don't like it  
And when it flows and when it starts to go  
Then I like it, I sure do like it  
I hope the day never comes  
You throw it all away  
I only need another day

You never listen when I  
You never listen when I say  
I only need another day  
You never listen when I tell you  
What I tell you  
I'm thinking what I'm thinking  
I need a little time  
To keep the motor ticking over now

I don't believe that we can't agree  
But I ain't letting that bother me  
I tried to say but you couldn't see  
What do come should come easily  
I only need another day

But it comes and it goes  
And everybody knows  
That I don't like it, no I don't like it  
And when it flows and when it starts to go  
Then I like it, I sure do like it  
I hope the day never comes  
You throw it all away

Another day, I need another day  
Another day, I need another day  
Another day, I need another day
