

# Status Quo, Do You Live In Fire

Do you live in fire, girl  
'Cos Satan's in your soul  
You treat me like I was dirt  
The reason doesn't show

Satan lives in your soul  
'Cos you keep doing me wrong  
Doing wrong

Do you live in fire, or is it just a way  
To keep me longing for you, or keep me far away  
Do you live in fire? Do you live in fire?  
Do you live in fire?

When I look into your eyes  
You seem so pure and cool  
But when I smile you turn away  
And I feel such a fool

Satan lives in your soul  
'Cos you keep doing me wrong  
Doing wrong

Do you live in fire, or is it just a way  
To keep me longing for you, or keep me far away  
Do you live in fire? Do you live in fire?  
Do you live in fire?

Do you live in fire, or is it just a way  
To keep me longing for you, or keep me far away  
Do you live in fire....
