

# Status Quo, I'll Never Get Over You

I'll never get over you  
No, I'll never get over you  
I just can't keep it a secret any more, oh no, no

It wasn't so long ago  
When you told me you loved me so  
Then you went and said goodbye and found another guy-i-i-i

I know somewhere, someday I'll find  
One love to take your place  
One girl with an angel face  
But in the meantime

I'll never get over you  
No, I'll never get over you  
I just can't keep it a secret any more, oh no, no

I know somewhere, someday I'll find  
One love to take your place  
One girl with an angel face  
But in the meantime

I'll never get over you  
No, I'll never get over you  
I just can't keep it a secret any more, oh no, no

I'll never get over you  
No, I'll never get over you  
I just can't keep it a secret any more, oh no, no, no  
Oh no, no, no  
Oh no, no, no
