## Status Quo, Mean Girl

(Rossi/Young)

Now I'm a sad one, and she was a bad one A mean, mean girl I never had one as greedy as that one A mean, mean girl

Mean, mean, mean girl I guess she's not the kind that I was looking for Mean, mean, mean girl She said I was the first but there were many more

She was a big one, a met-at-a-gig once A mean, mean girl I felt a sick one, she was a quick one A mean, mean girl

Mean, mean, mean girl I guess she's not the kind that I was looking for Mean, mean, mean girl She said I was the first but there were many more
