

Status Quo, One Man Band

(Parfitt / Williams)

When I'm talkin' nothing's getting through
When I'm screamin' it's never clear to you
Can you hear me? Am I wasting my time?
Am I working in a one man band?

When I'm looking straight in your eyes
Is there anyone home? You're telling me lies
Listen to me, are you wasting my time?
It's lonely in a one man band
It's lonely in a one man band

Words out of line don't ever hurt you
Forever cryin', trying to turn you around

Woah-oh-oh, woah-oh-oh, woah-oh-oh, woah-oh-oh

Anticipating what you're gonna do
Still I'm waiting for a sign from you
Come together, am I wasting my time?
And I'll always be a one man band
I'll always be a one man band
It's lonely in a one man band

Woah-oh-oh, woah-oh-oh, woah-oh-oh, woah-oh-oh
