

# Status Quo, Railroad Gerdundula

Railroad (Rossi and Young)

-----

Railroad, she left me standing on the line Railroad, she's really leaving  
me this time Leaving on that midnight train  
Leaving, never gonna come back again  
I'm living alone

A place of my own  
A bed, a chair and one back door  
Something went wrong  
With the words to my song  
And now she ain't around no more  
Something she said  
As we lay on my bed  
Six or seven hours ago  
Guess I was wrong

I really didn't think she would go  
Railroad, she left me standing on the line Railroad, she's really leaving  
me this time Leaving on that midnight train  
Leaving, never gonna come back again

Her face was always smiling  
Guess she was always laughing at me  
Her face was always smiling  
Guess she was always laughing at me

If I'd realised  
I'd be less surprised  
To find that she was laughing at me  
Gerdundula (Manston and James)

Love it seems I just can't find  
Love it seems I just can't find  
Seems that I'm the one love  
The one love left behind  
I've searched it just won't come my way  
I've searched it just won't come my way  
It's love that I want now  
So what more can I say  
Women seem to pass me by  
Women seem to pass me by  
If I could find the reason  
I'd know the answer why  
Love it seems I just can't find  
Love it seems I just can't find  
Seems that I'm the one love  
The one love left behind
