

# Status Quo, Red Sky

(David)

I was out on the highway  
I was out on my feet  
I was tired and hungry  
I was late for the meet.

I had a red sky behind me  
I had the bad guys on my tail  
I had a hundred different reasons  
To keep me falling awake  
I had a red sky behind me  
With the stars coming into view  
And the thought that kept me going  
Was soon I'm gonna make it with you

I had the desert on both sides now  
I had the lights in my eyes  
Of the town I remember  
Up ahead in the cold black sky

I had a red sky behind me  
I had the bad guys on my tail  
I had a hundred different reasons  
To keep me falling awake  
I had a red sky behind me  
With the stars coming into view  
And the thought that kept me going  
Was soon I'm gonna make it with you

Well I remember that old saying 'bout how good tomorrow will be  
But will I be lucky to see with a red sky's lucky for me

In my dreams there is a picture of me in a big gold frame  
And the poeple that I've never seen are pointing at my name

I had a red sky behind me  
I had the bad guys on my tail  
I had a hundred different reasons  
To keep me falling awake  
I had a red sky behind me  
With the stars coming into view  
And the thought that kept me going  
Was soon I'm gonna make it with you

I had a red sky behind me  
With the stars coming into view  
And the thought that kept me going  
Was soon I'm gonna make it with you
