

Status Quo, Rockers Rollin'

(Parfitt/Lynton)

T-t-t-take us along on a mystery train that's going nowhere
Take us along on a mystery train that's going nowhere
Just let us ride, we don't want to be tied
Had enough of peeping and hiding
Rolling away, 'cos this is our day
And everybody's feeling alright

We wanna run on the 9:41 'til we're there
We wanna run on the 9:41 'til we're there
Taking our time and trucking the line
Everybody knows where we're going
Rolling away, 'cos this is our day
And everybody's feeling alright

Just let us ride, we don't wann be tied
Rolling our way back home
Taking our time, only trucking a line
Rolling our way back home
We're rockers rollin', yeah
We're rockers rollin', yeah
We're rockers rollin', yeah
We're rockers rollin'

N-n-n-nowhere to stay at the end of the day, but you're movin'
Nowhere to stay at the end of the day, keep on movin'
Nowhere to sleep and I'm out on my feet
Had enough of peeping and hiding
Oh what a day, what I'm trying to say
Is everybody's feeling alright

Just let us ride, we don't wann be tied
Rolling our way back home
Taking our time, only trucking a line
Rolling our way back home
We're rockers rollin', yeah
We're rockers rollin', yeah
We're rockers rollin', yeah
We're rockers rollin'
