

# Status Quo, Rockers Rollin'

(Parfitt/Lynton)

T-t-take us along on a mystery train that's going nowhere  
Take us along on a mystery train that's going nowhere  
Just let us ride, we don't want to be tied  
Had enough of peeping and hiding  
Rolling away, 'cos this is our day  
And everybody's feeling alright

We wanna run on the 9:41 'til we're there  
We wanna run on the 9:41 'til we're there  
Taking our time and trucking the line  
Everybody knows where we're going  
Rolling away, 'cos this is our day  
And everybody's feeling alright

Just let us ride, we don't wann be tied  
Rolling our way back home  
Taking our time, only trucking a line  
Rolling our way back home  
We're rockers rollin', yeah  
We're rockers rollin', yeah  
We're rockers rollin', yeah  
We're rockers rollin'

N-n-n-nowhere to stay at the end of the day, but you're movin'  
Nowhere to stay at the end of the day, keep on movin'  
Nowhere to sleep and I'm out on my feet  
Had enough of peeping and hiding  
Oh what a day, what I'm trying to say  
Is everybody's feeling alright

Just let us ride, we don't wann be tied  
Rolling our way back home  
Taking our time, only trucking a line  
Rolling our way back home  
We're rockers rollin', yeah  
We're rockers rollin', yeah  
We're rockers rollin', yeah  
We're rockers rollin'
