

# Status Quo, Something's Going On In My Head

(Lancaster)

Something you're saying now  
Disturbing the way I feel  
I don't know what you're about  
I only know the way that I feel  
I'm holding it here in my mind  
So please don't be unkind  
Don't talk just let me unwind  
'Cos something's going on in my head Yeah, something's going on in my head  
And I'm not quite sure what you said

I can see the rain outside  
It's falling on everything  
It's making such a noise out there  
But my ears they don't hear a thing  
I'm trying to get it over to you  
Just what I want you to do  
Don't know what I'm going through  
'Cos something's going on in my head  
Yeah, something's going on in my head  
And I'm not quite sure what you said

Something you're saying now  
Disturbing the way I feel  
I don't know what you're about  
I only know the way I feel  
I'm holding it here in my mind  
So please don't be unkind  
Don't talk just let me unwind  
'Cos something's going on in my head Yeah, something's going on in my head  
And I'm not quite sure what you said
