

Status Quo, That'll Be The Day

Oh that'll be the day when you say goodbye
That'll be the day when you make me cry
You say you're gonna leave, you know it's a lie
'Cos that will be the day when I die

You give me all your lovin' and your turtle dovin'
Your hugs and kisses and your money too
You know you love me baby, but still you tell me maybe
That some day well I'll be blue
Oh that'll be the day, woo-hoo
That'll be the day, woo-hoo
That'll be the day,
'Cos that'll be the day when I die
