

Status Quo, You're In The Army Now

On vacation in a farout land.
Uncle Sam does the best he can, you're in the army now
ohooh you're in the army, now

now you remember what the draftman said
nothing to do i'd rather stay in bed, you're in the army now
ohooh you're in the army, now
you're in the army now
ohooh you're in the army, now

You'll be the hero of the neighbourhood
nobody knows that you've left for good
you're in the army now
ohooh you're in the army, now

Smiling faces on the way to 'Nam
but once you get there no one gives a damn
you're in the army now
ohooh you're in the army. now
you're in the army now
ohooh you're in the army, now

nanananananaaaa
nanananananaaaa
nanananananaaaa
nanananananaaaa

Grenades flying over you head
Missiles flying over your head
if you wanna survive, get out of bed, you're in the army now
ohooh you're in the army, now

Alarm goes in the dead of night
your sergeant calls: STAND UP AND FIGHT!!!
you're in the army now
ohooh you're in the army, now
you're in the army now
ohooh you're in the army, now

Your orders are to shoot on sight.
your finger's on the trigger but it doesn't seem right
you're in the army now
you're in the army, now

Night is falling and you just can't see
is this illusion or reality, you're in the army now
ohooh you're in the army, now
you're in the army now
ohooh you're in the army, now

ohooh ohooh
ohooh ohooh
ohooh ohooh
ohooh ohooh
