

# Stavesacre, Ascend

Watch me fly  
Freedom like wings and I will use them  
Freedom like wings and I will spread them wide

Watch me fly  
Freedom my wings...  
Freedom my wings...

And rise

One day my ashes will return to earthly slumber  
Spread far and wide across the desert and sea  
Until then I will live each day in awe and wonder  
Look forward to each sunrise
