

# Staynd Glass, Let Go

Why can't you see  
This change in me?  
You turn my world upside down  
And it's killing me

Why do you try to hide the truth?  
Those times we rushed in our youth  
We always play like we were happy  
But face it - we cannot be

We had all those good times  
Oh, the mountains that we climbed  
It brought me here to this place  
Took me from reality  
It's killing me

And why do you try to hide the truth?  
Those times we rushed in our youth  
We always play like we were happy  
But face it - we cannot be

It's over  
It's over  
I've made up my mind  
So stop smothering me

And why do you try to hide the truth?  
Those times we rushed in our youth  
We always play like we were happy  
But face it - we cannot be
