

Staynd Glass, Let Go

Why can't you see
This change in me?
You turn my world upside down
And it's killing me

Why do you try to hide the truth?
Those times we rushed in our youth
We always play like we were happy
But face it - we cannot be

We had all those good times
Oh, the mountains that we climbed
It brought me here to this place
Took me from reality
It's killing me

And why do you try to hide the truth?
Those times we rushed in our youth
We always play like we were happy
But face it - we cannot be

It's over
It's over
I've made up my mind
So stop smothering me

And why do you try to hide the truth?
Those times we rushed in our youth
We always play like we were happy
But face it - we cannot be
