

# Staynd Glass, Losing My Mind

I never thought that you'd be gone.  
Your heart stopped at the break of dawn.  
I couldn't get myself out of dreams.  
This is a world that was never real.  
Come back; you're not done.  
Will you stay, or will you leave me?  
What, tell me that you already have?  
I know you're trying to break me.

"CHORUS (x2)"

Don't leave me, we've just begun.  
My tears are almost gone.  
I remember you did nothing wrong.

Don't leave me alone.

Why do you have to be this way?  
Now the sky is turning gray.  
I still think about you every day.  
I don't know why you went away.  
You used to be so kind.  
Now I'm beginning to unwind.  
Now I'm starting to abide  
That I'm losing my mind.

"CHORUS (x2)"

Don't leave me alone.

"CHORUS (x4)"

You did nothing wrong.

No, no, no, no
