

Steadman, No Big Deal

I missed the boat yeah
I lag behind
I willed the water
I willed the water into wine
But I don't find wine every time

And it's no big deal
That's the way I feel
No it's no big deal
I don't mind

I missed the last call
Forgot my cue
I'm left here wondering
I'm left here wondering what to do
Who is who
And what is true

And it's no big deal
That's the way I feel
No it's no big deal
I don't mind

I missed the last bus
I'm walking home
Had better time spent on my own

And it's no big deal
That's the way I feel
No it's no big deal
I don't mind
I don't mind

And it's no big deal
That's the way I feel
No it's no big deal
I don't mind
I don't mind
