

# Steadman, Sun Lotion

Bright dunny day  
It's ok  
We are wearing  
Sun lotion

I was laying there  
Thinking 'bout taking off  
Sunday morning  
And I was just waking up

Looking at the sky  
In my coffee cup  
Sugar you're sweeter  
Yes I'll meet you at 10 o'clock  
Oh yeah yeah  
yeah yeah yeah yeah

Bright sunny day  
It's ok  
We are wearing  
Sun lotion  
I've got the wheels  
Bring the thrills  
We are wearing  
Sun lotion

We were laughing like kids in a candy store  
We went flying but our feet never left the floor  
If you're getting high,  
Then I want some more  
Taste like honey,  
Who needs money when you've got the score  
Oh yeah yeah  
yeah yeah yeah yeah yeah

Bright sunny day  
It's ok we are wearing  
Sun lotion  
I've got the wheels  
Bring the thrills  
We are wearing sun lotion

At the end when the sun is falling  
We'll play til the break of dawn  
At the end when the sun is falling  
We'll play til the break of dawn

Bright sunny day  
It's ok we are wearing  
Sun lotion  
I've got the wheels  
Bring the thrills  
We are wearing  
Sun lotion

Bright sunny day  
It's ok  
We are wearing  
Sun lotion
