

# Steamhammer, When All Your Friends Are Gone

(Martin Quittenton/Kieran White)

What you're gonna do, babe, when your friends are gone  
It's getting' hard to believe they're be here long  
You didn't treat them good, I can't see why they should

Yes'n how you're gonna feel, babe, when there's no-one by your side  
Is gonna hurt you real bad and you feel lonely inside  
You didn't treat them right, now they're all outside

(Solo)
