Steamhammer, You'll Never Know

You'll never know how much you hurt me, babe, how bad I feel inside
You'll never know how much you hurt me, babe, how bad I feel inside
I believed you when you said you loved me, but I know you lied

Oh, when I lay down in the darkness, keep hearin' your sweet voice
When I lay down in darkness, baby, keep hearin' your sweet voice
Yes and I remember your soft touch, and oh how I rejoice

(Solo)

People are talkin', babe, and I don't care what they say
Yeah, people are talkin', babe, and I don't care what they say
I only know that I still love you, and I want you only stay

You'll never know how much you hurt me, babe, how bad I feel inside
You'll never know how much you hurt me, babe, how bad I feel inside
I believed you when you said you loved me, but I know you lied
