

Steel Panther, Fuck 2020

Stupid fucking dude out in Wuhan
Ate a fucking bat
Didn't wash his hands
And gave the plague
To the rest of the planet
If you didn't have time to fry the damn thing
Nuke it the microwave

Fuck 2020
2020 can suck my dick

Kobe Bryant,
Frankie Banali,
Kenny Rogers too
Little Richard,
Sean Connery,
Neil Pert and Kirk Fucking Douglas
And if that shit wasn't bad enough,
Eddie Van Halen too!

Fuck 2020
2020 can suck my dick
