

# Steel Panther, Never Too Late (To Get Some Pus

1 am on a Saturday night  
Looking for some gash.. preferably tight  
open up the tinder, I got no matches  
But there's plenty of fish in the sea.. with plenty of snatches

There's a tasty little beaver I'm gonna get on  
Gonna be fucking before the dawn

Cuz it's never too late to get some pussy tonight!  
It's never too late to get some pussy tonight!  
It's never too late to get some pussy tonight!

Sunday morning is coming in hot  
Met a girl with a missing leg and I bought her a shot  
She asked me to touch her stump and I wasn't shy  
But she ended up leaving the bar with another guy

Gonna find a girl with both her legs  
Steel Panther's gonna fertilize her eggs  
Cuz it's never too late to get some pussy tonight  
No it's never too late to get some pussy tonight  
It's never too late! It's never too late!  
It's never too late! It's never too late!  
It's never too late to get some pussy tonight!

Don't give up  
You still have time  
To find some ugly hookers and some cocaine lines

Flying on x sun's about to rise  
Thinking bout getting a handy from one of the guys  
Or heating up some apple pie  
Maybe that's my date?  
Then I remembered words of wisdom from Stix  
"It's never too late!!!"  
Now Spyder's on the bass and Lexxi's gone  
But it doesn't mean We can't still fuck his mom!!

Cuz it's never too late to get some pussy tonight!  
It's never too late to get some pussy tonight!

It's never too late! It's never too late!  
It's never too late! It's never too late!  
It's never too late to get some pussy tonight!  
Gotta get it tonight!  
Gotta get some pussy tonight!  
Gotta get some pussy tonight!  
Gotta get some pussy tonight!
