

# Steel Prophet, Betrayal

I've been caught  
They're on to me  
Metal hound on the loose  
I just can't last

Turned in by my wife  
Her fear to great  
What love for me  
Betrayed!

The government  
Will make a sport of me  
Hunted like an animal  
Betrayed!

Escape my only thought  
Will the underground help a fireman  
Betrayed!

(Chorus)  
Never trust anyone  
They'll always get you  
You'll lose  
They're out to get you

Jealousy  
And spies  
They want my job  
What's told aren't lies!

I left a trail  
The hound attacks  
Head pounding  
Betrayed!

(Chorus)

Doomed  
No escape  
One last pain  
Down to the zone  
Forbidden place  
No one can find me

They need a sacrifice  
Innocent blood will do  
On TV I see  
Who's supposed to be me  
Cut down mercilessly  
Ripped to shreds  
They've done the deed  
Betrayed!
