

Steel Pulse, Higher Than High

O father
Take me where
I can sing unto you
O when the battle is done
Take me higher then high
My sword she's heavy
My heart is worn
Sing sing O David
Sing me your song
Harmony cry cry
And now we reach
The river is rolling
And now we seize the time
Sun it's so high
I see I hear
Rolling rolling rolling rolling
Strings
Were playing in my head
And now I know
Just what to do
I close my eyes
Till the morning comes
Hey hey hey hey.
