

# Steel Pulse, Love This Reggae Music

Reggae music is my favourite feeling  
It keeps me rocking to and fro  
And anytime I get that feeling  
I want the whole wide world to know  
I know we paid the price  
But when you feel the vibes  
You won't think twice  
Cause I know we can make it  
This music is love so come and take it  
This happy feeling  
Is a gift from God I know  
Hear the sound and let it flow  
Rock to the beat  
Hold the groove and don't let it go  
Cause no matter what happens  
We've got to stay alive

## CHORUS

Love this Reggae music  
Sweet as anything I know  
Love this Reggae music  
Never ever let me go  
Love this roots rock feeling  
Sweet as anything I know  
Love this roots rock feeling  
Never ever let me go  
So check out this vibration  
Cos it's such a sweet sensation  
It gives me inspiration  
And it don't need no contemplation

oh

Ooh yeah

Oh

This happy feeling  
Is a gift from God I know  
Hear the sound and let it flow  
Rock to the beat  
Hold the groove and don't let it go  
Cause no matter what happens  
We've got to stay alive  
Love this Reggae music  
Sweet as anything I know  
Love this Reggae music  
Never ever let me go  
Love this root rock feeling  
Sweet as anything I know

Never ever let me go  
Be positive in what you do  
And anything you earn will come to you  
Don't let the pressure make you wanna quit  
Just hold your ground and you will conquer it  
Yes you will.
