Into a rollercoaster ride  
And she's givin' it all  
Givin it all away

She's a sweet little rock and roll machine  
Just the sweetiest thing you every seen  
Everybody love Eileen

Oh yeah!

She can tell a joke and make you cry  
Take your heart a thousand miles high  
Sing love a lullaby like an angel of the night  
She's so close and she's so far away

I need her love, I want to follow my lady
