## Steely Dan, Night By Night

It's a beggars life, said the Queen of Spain But don't tell it to a poor man 'Cause he's got to kill for every thrill The best he can Everywhere around me I see jealousy and mayhem Because no men have all their peace of mind To carry them Well I don't really care If it's wrong or if it's right But until my ship comes in I'll live night by night

When the joker tried to tell me I could cut it in this rube town When he tried to hang that sign on me I said Take it down When the dawn patrol got to tell you twice They're gonna do it with a shotgun Yes, I'm cashing in this ten-cent life For another one

Well I ain't got the heart To lose another fight So until my ship comes in I'll live night by night

Well I don't really care If it's wrong or if it's right But until my ship comes in I'll live night by night
