Steely Dan, The Fez

No I'm never gonna do it without the fez on Oh no No I'm never gonna do it without the fez on Oh no That's what I am Please understand I wanna be your holy man No I'm never gonna do it without the fez on Oh no Ain't never gonna do it without the fez on Oh no That's what I am Please understand I wanna be your holy man

No I'm never gonna do it without the fez on Oh no Don't make me do it without the fez on Oh no That's what I am please understand
