

# Steely Dan, Time Out Of Mind

Son you better be ready for love  
On this glory day  
This is your chance to believe  
What I've got to say  
Keep your eyes on the sky  
Put a dollar in the kitty  
Don't the moon look pretty

Tonight when I chase the dragon  
The water will change to cherry wine  
And the silver will turn to gold  
Time out of mind

I am holding the mystical sphere  
It's direct from Lhasa  
Where people are rolling in the snow  
Far from the world we know

Children we have it right here  
It's the light in my eyes  
It's perfection and grace  
It's the smile on my face

Tonight when I chase the dragon  
The water will change to cherry wine  
And the silver will turn to gold  
Time out of mind

Children we have it right here  
It's the light in my eyes  
It's perfection and grace  
It's the smile on my face

Tonight when I chase the dragon  
The water will change to cherry wine  
And the silver will turn to gold  
Time out of mind
